Why are we doing this?

We want to provide you with high quality care that meets your needs. To do this, we need some information from you.

The information you provide us will be kept private. The information may be shared with members of your care team (primary care provider, specialists and case manager, if needed).

Your answers will be used to help us give you the best information and service possible. We use race, language and ethnic background to improve the quality of treatment and care that your child needs. We also use it to develop programs specific for your child. Please complete and return this survey in the postage-paid envelope that has been provided.

For members under the age of 18, please tell us who is completing this survey?
